

## Status Page

At any time you can check the status of an application in progress by clicking on the STATUS tab:

The screenshot shows the SIR web interface. At the top is a navigation bar with tabs: Mailbox, Status (highlighted with a blue background and a red circle), Search, Tenant Application, Support, Reports, Setup, and Logout. Below this is a section titled 'View Application Status'. It contains a table with the following data:

Client: Strategic Information Resources		Promised Turnaround Time: 72			Services		
Name	App No.	Date/Time Submitted	Elapsed Time	Requestor/Investigator	New	Pending	Completed
Testfile, Mary	60514	12/07/2009 11:09 AM EST	0 - Ok	Sally Sample /		<a href="#">Criminal Records Check - Tenant Eviction Database Search</a>	<a href="#">National CrimeNet - Tenant Nationwide Sex Offender Check - Tenant Patriot Act Search - Tenant Resident Qualifier Social Security Validation - Tenant</a>

Below the table, it states: 'Total Number of Applications for Strategic Information Resources: 1' and 'Total Number of Open Applications: 1'. A callout box with a black border and white background points to the blue hyperlinks in the 'Completed' column, containing the text: 'If a service is in a completed status you can click on the blue hyperlink and view that portion of the report.'
